We offer a comprehensive range of services, including expert consultancy, advanced IT solutions, and trusted halal certification. Our goal is to bridge the gap between theory and practice, equipping you with the skills and knowledge to succeed in today's dynamic world.

At AHS Nexus, we are committed to excellence, integrity, and community. We strive to create a positive impact by fostering innovation, promoting ethical practices, and empowering individuals to reach their full potential. Our advanced IT solutions are designed to streamline operations, enhance efficiency, and drive digital transformation. Join us on a journey of learning, growth, and success.

ABOUT TRAINING

One-day training Program on How to Calculate Zakat mean, Zakat, one of the five pillars of Islam, is a fundamental obligation for Muslims, serving as both a spiritual purification of wealth and a means to support those in need within our communities. However, many Muslims find themselves unsure about the process of calculating Zakat on their wealth, whether it's savings, gold, business assets, or investments.

In this session, we will break down the principles of Zakat and provide you with a practical, step-by-step guide to calculate Zakat on different types of wealth. Whether you are a business owner, an individual managing your personal finances, or someone eager to better understand your Zakat obligations, this training will equip you with the knowledge and tools you need.

OBJECTIVES

- Understand what Zakat is and why it is important.
- Learn the types of wealth subject to Zakat.
- Be able to calculate Zakat on various forms of wealth, including savings, gold, investments, and business assets.
- Gain confidence in applying Zakat calculations in real-world scenarios.
- Understand how to avoid common mistakes in calculating Zakat.

BENEFITS FOR ATTENDEES

Clear Understanding

They will walk away with the confidence to calculate their own Zakat, ensuring that they fulfill their religious duties accurately.

Empowerment

Individuals can independently manage their Zakat and contribute to their community's welfare.

Practical Application

Attendees will be able to apply the knowledge directly to real-life financial situations like savings, assets, and business inventory.

WHO SHOULD ATTEND ?

- Individual Muslims
- Business Owners & Entrepreneurs
- Finance & Accounting Professionals
- Islamic Charity Organizations
- Research and Academia
